

DENNY DROSOPHILA

Seattle, WA 98119 • (206) 123-4567 • biophile@spu.edu • linkedin.com/in/dennydrosophila

QUALIFICATIONS:

- 2+ years lab experience, demonstrated accuracy and attention to detail following research protocols
- Highly professional and dependable with strong work ethic
- Excellent communication and leadership skills developed through involvement in student organizations
- Proficient with: Gel electrophoresis, Immunoassay, Western Blot, Protein extraction and transposon work

EDUCATION:

Bachelor of Science in Biology, Minor in Chemistry

Seattle Pacific University, Seattle, WA Expected June, 2016

GPA – 3.52; Major GPA – 3.61

Related Coursework: Genetics, Molecular Biology, Biochemistry

RELATED EXPERIENCE:

Teaching Assistant, Organic Chemistry Course, Seattle Pacific University Fall, 2015

- Monitored 18 students' laboratory activities and assisted with teaching laboratory techniques
- Provided out of class help for struggling students resulting in improved student grades
- Examined lab notebooks for proper scientific format
- Recognized by professor for attentiveness to students, ensuring adherence to lab protocols

Researcher, Seattle Genomics Initiative, Seattle, WA Summer, 2015

- Constructed partial genetic map for genome of nitrogen fixing *A. vinelandii*
- Determined role of several enzymes in metabolism of soil bacterium and plant pathogen
- Developed mutant genes, analyzed growth curves to determine effect of mutations in *A. tumefaciens*

Student Researcher, Molecular Biology Course, Seattle Pacific University Spring, 2014

- Generated gene disruption mutations in agrobacterium *A.tumefaciens*, examined phenotype
- Examined biochemical pathways of agrobacterium *A.tumefaciens* using bioinformatics tools

LEADERSHIP EXPERIENCE:

Vice President, American Institute of Biological Science, Seattle Pacific University Summer 2014 to present

- Identified, communicated with, and scheduled scientific speakers to appear on campus
- Organized senior presentation for 30 biology and biochemistry majors

OTHER EXPERIENCE:

Sales Associate, Bartell Drugs, Seattle, WA September 2012 to June 2013

- Effectively communicated with customers to ensure needs were met
- Organized and displayed merchandise on the sales floor improving customer experience
