

2019 - 2020 SELECTIVE SERVICE INFORMATION SHEET

STUDENT NAME: _____ SPU ID: _____

When your 2019 - 2020 Free Application for Federal Student Aid (FAFSA) was matched against the Selective Service database, your selective service registration or exemption status was not confirmed.

Registration with Selective Service is a federal requirement to receive financial aid; therefore, your status must be confirmed before we can process your application.

- If you **have registered** with Selective Service, submit a copy of your registration card along with this form.
 - Copy of registration card **or** registration acknowledgment is attached
- If you **have not registered** with Selective Service and you are a male **between the ages of 18 and 25**, register online at www.sss.gov or contact them for alternate registration options at 847.688.6888. After registration please submit registration acknowledgment or copy of registration card when you receive it.
- If you **have not registered** with Selective Service and you are a male who entered the U.S. while **26 years of age or older**, submit documentation verifying date of birth and date of entry into the U.S, such as a date of entry stamp in your passport, an I-94 visa with date of entry stamp on it, or a letter from the U.S. Citizenship and Immigration Services (USCIS) indicating your date of entry to the United States.
 - Copy of documentation verifying date of birth and date of entry into the U.S. attached
- If you are **uncertain** whether you are required to register, contact Selective Service at 847.688.6888 or visit their website, www.sss.gov.
- Any **conflict** must be reconciled with Selective Service. Once the discrepancy is resolved, please submit appropriate documentation (e.g. a registration acknowledgment) along with this form.
